Operating System	Memory (RAM)	Processor	Screen Size	Weight	Solid State Drive
Windows 10 Pro 64	8GB	8th Generation Intel® Core™ i7 processor	13.3"	Starting at 1.27 kg	

HP recommends **Windows 10 Pro for business**, which provides the foundation, with comprehensive security and management tools, plus enhanced productivity, to keep your business on the right track.

Powerful protections you can trust

Works how you work

Simple, flexible management

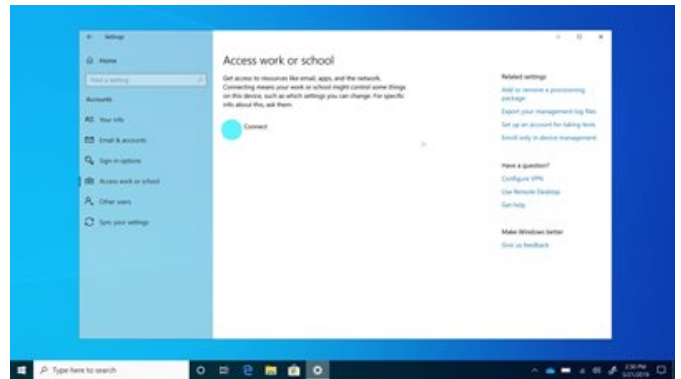

Windows 10 is the most secure Windows ever. It comes with built-in protections for your data, your equipment, and your people, securing business information and personal identities even on lost or stolen devices.

Windows 10 Pro is designed for how you work now—and ready for how you'll work tomorrow. Collaboration starts here, with shareable notebooks and whiteboarding available to every device. Whether you're working on your own or with a team, it's that feeling of getting in the zone and staying there.

Windows 10 Pro simplifies identity, device and application management so you can focus on your business. Flexible management capabilities let you see the big picture and make changes on your schedule. With intuitive control over your IT infrastructure, your business can be ready for anything.

Windows Hello - Security with a smile

Azure AD Join - Seamless work, frictionless management

Product overview

The number of devices you need to make an impact is one. Create and present your vision of success on the HP EliteBook x360 1030 with four use modes to get work done, share content, and enjoy some downtime.

Designed for where life takes you

Express yourself in almost any light using the ultra-bright display on the precision-crafted HP EliteBook x360 1030 featuring four inspiring use modes and remarkable audio.

How life gets done

Be ready when your day pulls you in different directions. Complete your priorities from almost anywhere and with anyone using the remarkable audio and world-facing microphone for enhanced noise cancellation.

Safe. Smart. Protected.

Protect your PC against the evolving malware threats of the future, with self-healing, hardware-enforced, and manageable security solutions from HP.

Key Features

Let nothing stand in your way

Power through your day with Windows 10 Pro and the powerful security, collaboration and connectivity features from HP.

Fast and efficient wireless LAN

Get gigabit speed Wi-Fi® with Wi-Fi 6 (802.11ax).

Protect critical security processes

To get control of your PC, attackers first need to take down its defenses. Keep critical security protections up and running and prevent unwanted changes to security settings with HP Sure Run Gen2, which provides resilience against attacks.

Browse confidently

Help protect your PC from websites and read only Microsoft Office and PDF attachments with embedded malware, ransomware, or viruses with hardware-enforced security from HP Sure Click.

High performance, high portability

Help speed up demanding business applications with an 8th Gen quad-core Intel® Core™ processor.

Automatic recovery from firmware attacks

Firmware attacks can completely devastate your PC. Stay protected with HP's self-healing BIOS - HP Sure Start Gen5 automatically recovers the BIOS from malware, rootkits, or corruption.

Recovery simplified

Advanced malware attacks can destroy your OS and disrupt your business. HP Sure Recover Gen2 ensures fast, secure, and automated recovery of your OS with only a network connection, so you can minimize downtime and get back to business fast.

Warranty

1 year standard parts and labor limited warranty (1-1-0), depending on country (upgrades available).
1 year limited warranty on primary battery.

Specifications

Operating system	Windows 10 Pro 64 ¹
Memory layout (slots & size)	1 x 8 GB
Memory	8 GB LPDDR3-2133 SDRAM (onboard)
Standard memory note	Transfer rates up to 2133 MT/s.
Memory and storage	8 GB memory 256 GB SSD storage
Storage type	SSD

Internal Storage	256 GB M.2 SATA SSD
Processor speed	1.9 GHz
Processor family	8th Generation Intel® Core™ i7 processor
Processor	Intel® Core™ i7-8665U processor with Intel® UHD Graphics 620 (1.9 GHz base frequency, up to 4.8 GHz with Intel® Turbo Boost Technology, 8 MB L3 cache, 4 cores) ^{2 1}
Graphics (integrated)	Intel® UHD Graphics 620

⊖ Footnotes

¹ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost/> for more information.

² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

³ Weight will vary by configuration.

⁴ Cables are not included.

⁵ MU-MIMO supported

⁶ Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

⁷ HP Automatic Drive Lock is not supported on NVMe drives.

⁸ HP Fingerprint Sensor sold separately or as an optional feature.

- ⁹ HP Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88 "Clear" sanitation method. HP Secure Erase does not support platforms with Intel[®] Optane[™].
- ¹⁰ Firmware TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT). TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).
- ¹¹ HP Sure Click is available on select HP platforms and supports Microsoft Internet Explorer, Google Chrome[™], and Chromium[™]. Supported attachments include Microsoft Office (Word, Excel, PowerPoint) and PDF files in read only mode, when Microsoft Office or Adobe Acrobat are installed.
- ¹² Windows Defender Opt in and internet connection required for updates.
- ¹³ HP Sure Start Gen5 is available on select HP PCs with Intel processors. See product specifications for availability.
- ¹⁴ HP Sure Run Gen2: See product specifications for availability.
- ¹⁵ HP Sure Recover Gen2: See product specifications for availability. Requires an open, wired network connection. Not available on platforms with multiple internal storage drives. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. HP Sure Recover (Gen1) does not support platforms with Intel[®] Optane[™].
- ¹⁶ HP BIOSphere Gen5 is available on select HP Pro and Elite PCs. See product specifications for details. Features may vary depending on the platform and configurations.
- ¹⁷ HP Client Security Manager Gen5 requires Windows and is available on the select HP Pro and Elite PCs. See product specifications for details.
- ¹⁸ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
- ¹⁹ HP Support Assistant requires Windows and Internet access.
